

BFS-208

Three-level building available for sale in the Apostolos Andreas area.

€480,000

 Apostolos Andreas, Limassol

A three-level mixed-use building is available for sale in Apostolos Andreas. The property includes a ground-floor shop measuring 67 sqm, along with a 31 sqm mezzanine. On the mezzanine level, there is a two-bedroom apartment. The first and second floors are currently unfinished, giving the new owner the flexibility to complete them according to their preferences.

The plot offers a building density of 120% and 50% coverage, permitting the construction of up to three floors. For additional details, please get in touch with us.

Asking price: €480,000
