3-Bedroom Semi-Detached House for Sale – Agios Spyridonas

€260,000

📍 Agios Spyridon, Limassol

An excellent renovation opportunity located in the Agios Spyridonas area of Limassol. This 3-bedroom semi-detached house offers great potential for buyers looking to create a comfortable family home or a valuable investment property.

The house comprises three bedrooms, a family bathroom, a separate kitchen, and dining and living areas with access to the front veranda. While the property requires renovation, it provides a solid foundation and ample scope for modernisation and customisation.

One of the property's most attractive features is its development potential. The upper level offers the possibility of constructing a second residence, with a separate entrance and staircase already in place, making it suitable for extended family accommodation or additional rental income.
